

Secabo C30III vinyl cutter

The Secabo C30III is a professional drag knife vinyl cutter for sign vinyl, garment vinyl and other media with a width of up to 41,5cm. The large illuminated display and the big coloured buttons make it very easy to use. The machine is used with the supplied FlexiStarter software and comes with stand. The C30III is very silent, so it can be used in offices, too.
